Dear Mr. Gibson:

In response to your letter of May 22, I am enclosing copies of the amendments to the October Quarterly Report (7/18/02-9/30/02) and the 30 Day Post-General Report (10/17/02-11/25/02) for the Friends of Senator Carl Levin Committee which were filed with the Senate Office of Public Records today. I believe that you will find these amendments responsive to all of the issues you raised in your May 22 letter.

In reviewing the issue of the 48-hour notices which you raised, I discovered that the Friends of Senator Carl Levin Committee needs to correct the information in both our October Quarterly Report and our 30 Day Post-General Report concerning the receipt date of contributions that would otherwise have required notification under the 48-hour notice requirement.

In our October Quarterly Report, we incorrectly listed the check from CMS Energy PAC in the amount of \$1,300 as having been received on Saturday, August 3, 2002, which would have been in the July 18-August 3 pre-primary period that would have required a 48-hour notice. In fact, this check, which was dated February 8, 2002, was received and deposited on March 8, 2002, and was previously disclosed in the Committee's April, 2002 Quarterly Report (1/1/02-3/31/02). The Committee's data base was updated subsequent to the April Quarterly Report and the date of the CMS Energy PAC check was inadvertently transposed from 3/8/02 to 8/3/02, causing it to be erroneously reported a second time in the October Quarterly Report. The same inadvertent mistake was made with the CMS Energy PAC check for \$700, also received and deposited on March 8, 2002 and reported in our April Quarterly Report. The Committee's October Quarterly Report (7/18/02-9/30/02) has been amended to correct this error.

The following four checks were incorrectly listed in our 30 Day Post-General Report as having
